## Bio

Dr. Cooper-Lovett is a mom, licensed marriage and family therapist and AAMFT Approved Supervisor, AASECT certified sex therapist and owner of A New Creation Psychotherapy Services, LLC a holistic group practice in the south Atlanta Metro Area. Dr. Cooper-Lovett has been on radio shows, podcasts, television, and panels and has done workshops and keynote speeches. Dr. Cooper-Lovett has a focus of transpersonal psychotherapy, post-traumatic growth and social justice. Dr. Cooper-Lovett has presented at many national conferences since her undergraduate career surrounding topics around violence, clinical implications in working with African American youth witnesses to IPV (intimate partner violence), and mental health awareness in African American communities. Dr. Cooper-Lovett has done workshops that focus on healthy relationships, sex and sexuality, tantra and spirituality, as well as workshops on empowerment and growth. She has done workshops at local community centers, churches and various events throughout the Atlanta, GA area that focused on marriage, sexuality, and relationships, and the incorporation of sexuality and spirituality. She has also done all day training and workshops for team-building, and workplace cohesion.
